Level 1 Software

Join the Letterlanders and learn English with this interactive software that brings the Fix-it Phonics programme to life.

- **Stories:** Watch the characters come to life!
- **Sounds:** Listen to alphabet sounds & learn key vocabulary.
- **Songs:** Sing along with the Letterlanders.
- **Shapes:** Watch how the letter shapes are formed.
- **Games:** Play games and keep a track of your results.
- **Word building:** Start to build whole words.
